

MANDRAROSSA

TIMPEROSSE

The single variety Petit Verdot,
an expression of a different Sicily.

Red Terre Siciliane IGT

100% Petit Verdot

Espalier-grown and guyot-pruned,
planting density is of 4000-4500 plants/ha.

Limestone and sandy soils

Vineyards are stretched along south facing hills,
100-250 mt above sea level

2nd week of September

13,5% vol

0,75 L, 1,50 L

Vinification

Grapes macerate and ferment for 4-6 days at 18-22 °C.
Ageing takes place in steel tanks for 4 months.

Tasting notes

The wine is intense ruby-red in colour with purplish reflections. The aroma is intense with elegant notes of red fruits as black mulberries and plums and aromatic herbs as rosemary and sage. On the palate it is young and vivid, with soft and gentle tannins.

Serving temperature

16-18 °C

Pairings

Cheeses, seared tuna, backed chicken.
